

Ave Maria University

Ave Maria University is located east of Naples, Florida in the new community of Ave Maria, Florida.

Founded in fidelity to Christ and His Church for greater lay witness in contemporary society, Ave Maria University exists to further teaching, research, and learning in the abiding tradition of Catholic thought in both national and international settings.

Ave Maria University is especially pleased to count many priests among its friends. Encouraged by this great response, Ave Maria University has developed a special organization for the bishops and priests.

PRIESTS FOR AVE MARIA

Priests for Ave Maria (PFAM) is a fellowship of friends of the university who pray for and encourage its mission. **A great work of the Spirit is taking place in southwest Florida and through PFAM you can be a part of it.**

Certain privileges will be accorded to members of PFAM at the university, including extended stays, pastors workshops, and hosted visits. We pledge to pray for one another as we work together to serve the Lord in His Church.

Ave Maria University values its many bishop and priest friends.

So many have given of their time, talent and treasure to make this new University, dedicated to Our Lady, a success, that Priests For Ave Maria has been developed as an informal organization of these good men.

PFAM priests across the country are:

- Introducing Ave Maria University in their Deanery meetings and parishes,
- Helping Ave Maria to recruit students,
- Connecting with priests of similar interests.

For you, a place of beauty, rest, resources and hope. A place to get away, maybe a place to retire.

From you, a promise of prayer, support and advocacy.
